BIRCH CREEK QUARTER HORSES

Our farm is located in the Northwest corner of Upshur County, Texas, near Winstonsboro, Pittsburg and Gilmer. We began our farm with cattle in 1990; all the while, having a passion for horses. In 2002, we purchased an AQHA Stallion ~ RED SONGS DRIFTER. With the gene pool package of champions and a SUPER HORSE, we began our search for the mares to compliment that gene pool to create offspring with correct conformation, good minds, cow sense and a people pleasing attitude. In addition to all of these mandatory traits, we at Birch Creek have been blessed with both color and good looks. As a result, we offer offspring from these well known bloodlines: Mr Baron Red, Zippo Pine Bar, Two Eyed Jack, Frenchmans Guy, Dash For Cash, Sugar Bars, Colonel Freckles, Sonitas's Last, Speedy Glow, Doc's Prescription, Chick Jay, Fritz Command, and more. Believing we needed more than one foal crop for evaluation, we now have on hand foals from 12 crops. The meticulous selection of individuals has proven successful, in that, with what we have available, our customers can go in any direction they desire ~ from the cutting, roping, penning and reining pens to the trail.

THIS SALE WILL FEATURE A DISPERSAL OF BIRCH CREEK QUARTER HORSES

Mr. & Mrs. Dale (Linda) Sims from Leesburg, Tx have been long time breeders of outstanding quarter horses. They feel the need at this time to change directions and sell this great group of horses. This dispersal will include 34 head, mostly of well bred broodmares with lots of color. There will also be 2 stallions in this group. One Stallion (French N Cash) is a 2009 Perlino by A Classic Guy by Frenchmans Guy out of a performance bred mare going back to Colonel Freckles. This will be a rare opportunity to get a stallion with his breeding and is a 100% color producer as well. There will also be a 2 year old buckskin stallion by a son of Frenchmans Guy.

TERMS AND CONDITIONS

1. Premier Equine Auctions, is known and recognized as Auction Company and an independent contractor regularly engaged in the business of conducting consignment sales of horses. The Auction Company or any representative thereof, is not responsible for any liability whatsoever, including, but not limited to, the loss, damage, injury, death or illness of any animal, person, or property before, during or after the sale. All horses consigned to the sale are offered in accordance with the laws of the State of Texas. All transactions between buyer, consignor and auction company are governed by the laws of the State of Texas. Each horse offered in sale is sold "As Is and With All Defects". Consignors are hereby bound by the consignment contract completed upon nomination of sale entry, as well as these Sale Conditions. In the event of any legal dispute between the buyer and the consignor, auction company will not act as agents for, or represent the buyer or the consignor. Auction Company merely provides a medium for bringing together the consignor and the buyer for the purpose of a sales transaction. Auction Company assumes no liability for either the buyer nor the consignor.

2. The highest bidder is to be the buyer. Any successful bidder shall sign a Buyers Agreement, which shall be presented by an auction clerk immediately after the purchase has been made. Auction Company and/or auctioneer reserve the right to reject any and all bids. If a dispute should arise between or among two or more bidders, the auctioneer shall settle the dispute, and his decision shall be absolute, final, and binding on all parties. The auctioneer will decline any bid made by parties who have defaulted in former purchases. The right to repurchase or pass-out (P.O.), is reserved by the consignor or his representative. Any such action, must be made prior to the consignor's horse departing the auction arena. The Auction company is not responsible for the integrity of any specified bid and the seller understands and assumes all responsibilities for any bid that is made and not thereafter honored. In the event any bid is not honored, the seller agrees not to hold the auction company responsible and agrees not to sue the sales management thereof.

3. "Title" - passes to the buyer automatically at the final fall of the auctioneer's gavel unless a repurchase or pass-out (P.O.) is clearly indicated immediately by the consignor, his representative, or the auctioneer. Title and all risks are assumed by the buyer whether or not "delivery" has been made. Horses are at the buyer's expense and risk and responsibility from the time of purchase, but no delivery will be made until final settlement has been made. Delivery of a horse shall be contingent upon the buyer making a full settlement to the sale cashier. After a satisfactory settlement is made, delivery will be in the form of a "release" for the horse from the auction grounds. In addition to the release, the buyer will receive the current coggins test, and a copy of the registration certificate. After delivery is made, buyer shall remove the horse within the specified time announced prior to the commencement of the auction, and shall be subject to any charges associated with the purchase should he fail to do so.

4. Terms of the sale are CASH and payment in full must be paid directly to the sale cashier during or immediately after the sale. Payment to any other source is prohibited and is not recognized as settlement. Payment shall be in the form of cash, cashier's checks, personal checks, traveler's checks or approved credit cards. Method of payment shall also be made in the following credit cards: Master Card, Discover/Novas, Visa, & American Express. A valid drivers license or another form of positive identification are required for personal checks. A 3% office processing fee will be added to all purchases, (this fee will be discounted for purchases paid for by cash, cashier's check, or personal check.) NO BANK DRAFTS. Any person signing a check in the State of Texas is liable for the full amount of the check. Any party issuing a check returned as "insufficient funds", "payment stopped", "account closed" or a check that shall for any reason not clear drawee's bank, will be prosecuted to the full extent of the law.

5. Prospective buyers are hereby cautioned and advised by auction company to examine horses thoroughly prior to purchasing. All horses are sold "as is". There is no warranty of any kind as to the soundness, physical condition, health, disposition, or fitness for any particular purpose of any horse sold in this sale. Except in the case where the owner, or his representative, makes a specific guarantee. In such cases, the guarantee is strictly by the owner, or his representative, and not by the auction company. RIGHT OF RECOURSE MUST BE DIRECTLY TO THE OWNER AND NOT THROUGH PREMIER EQUINE AUCTIONS EXCEPT IN THE RANCH GELDING SESSION. ALL GELDINGS SELLING IN THE RANCH GELDING SESSION ARE GUARANTEED SOUND FROM THE KNEES DOWN FOR THREE DAYS AFTER THE DATE OF SALE. (NO VET CHECK.) IF ANY HORSE IS FOUND UNSOUND, YOU MUST CALL THE

PREMIER EQUINE AUCTIONS OFFICE. The auction company is not responsible for buyer or consignor misunderstanding. A recording will be made of the entire auction, which can be used to help settle disputes regarding statements made about the horses while in the auction arena. The question of "guarantees made by the consignor from the auction block" shall be settled strictly between the buyer and consignor.

6. Buyer has the right, at his expense, to have an examination performed by the Official Sale Veterinarian, on any horse consigned to this sale. Such examination must be made on sale grounds prior to the horse going through sale arena.

7. No guarantees are made by the auction company, or any representative thereof, regarding pregnancy status, eventual foaling, or fertility of any horse offered for sale. Final pregnancy status on broodmares will be announced from the auction block by the consignor or his representative and will take precedence over printed material in the catalog or in any advertising. Broodmares represented by the consignor as being "in foal" are subject to a pregnancy examination by the Official Sale Veterinarian immediately upon exit from the auction arena and at the buyers expense. Any broodmare so examined whose pregnancy status is found to be open at the time of sale may be returned to the consignor as unsold. Any such examination must be done by the Official Sale Veterinarian and prior to removal from the auction grounds. If mare is not examined before leaving sale grounds, and later found to be open, No Right Of Recourse may occur. Any contractual agreements between owners of broodmares in the sale and owners of stallions to which these mares may have been bred are strictly between the buyer and the consignor.

8. The auction company, or any representative thereof makes NO guarantees on the paperwork of any horse selling on breeders certificates, and/or registration applications.

9. Buyers are cautioned to pay close attention to announcements made from the auction block regarding changes in the sale catalog, as such announcements take precedence overprinted material. The sale management, or any representative thereof, does not assume any responsibility or liability for errors or omissions, or for any verbal or written statement regarding the animal sold. We make every attempt to avoid errors and to insure correctness in the catalog, if a mistake does occur, we reserve the right to correct it.

10. All original registration certificates, transfer reports, and/or applicable breeders certificates, and/or registration applications, will be held by auction company until the buyers payment clears the bank. Upon payment clearance, all applicable paperwork will be forwarded directly to the buyer. The buyer will be responsible for only one transfer fee as well as any registration fees associated with a purchase selling on application. Originals will be released to buyer if all balances due are paid in a form cash the day of the sale. Pending registration papers being processed by the appropriate registration agency at the time of sale will be returned from the agency to the consignor who shall in turn deliver to the auction company. The auction company will then forward the pending registration certificate to the buyer. Original registration certificate and accompanying paperwork will be released to consignors for horses not sold (pass-outs), after all expenses are paid. Originals will be released to the consignor if all outstanding balances due to auction company are paid in cash the day of the sale.

11. All horses in this sale have been required to have been tested negative for equine infections anemia (coggins test). Out of state or other health certificates may be obtained from the official Sale Veterinarian and are at the buyer's expense, in accordance with the regulations of the State of Texas Animal Health Control.

12. Each horse consigned to this sale must pass through the auction arena and all transactions must go through the sale office. Hip numbers in the sale have been determined by the auction company. They can not be removed by the consignor or the buyer while the horse is on the grounds. Stalls are assigned for each horse sold and can only be changed by auction company. All persons attending this sale do so at their own risk, and are urged to use caution around the horses, while on the sale grounds. I have owned this 11 year old gelding since he was weaned. He is a finished heel horse, but you can head on him too. He has won lots of money at jackpots. He is calm enough for a beginner, but athletic enough for an advanced roper. No issues, he is the real deal. Kids can ride him. He will give you the same trip every time.

We reconsigned this mare to the September sale because we thought with the Team Roping sessions that she would get a better chance to show her talents. Then you can see her and the others we consigned better. **Cd Born On A Bayou** aka "Jewels" has been ridden by Cole Echols and also by my daughter Reba Ann Gonzales. She has had mostly heeling done on her, but also some heading and breakaway calves in the alley. Watch her work and see what you think. For more info call Rebecca Kropik 281-794-0758.

"Ike" is a very well broke and seasoned ranch horse. Born and raised to a 3 yr old on the Gray Ranch in South Louisiana, he was ridden by Kevin Foreman gathering cattle in the marsh, riding deck barges and roping cattle in the pasture. Luther Winch has ridden him over the last 5yrs in all phases of ranch work and in all types of terrain from rice fields, East Texas brush, South Texas coastal marshes and Colorado foot hills. Ike is broke to helicopters and airboats as well. We've hauled him to T-Cross ranches near Pueblo, CO where he gathered cattle and dragged calves to the fire for days. We rode him in the Palo Dura Canyon just to see how a horse born in the marsh can adapt to mountains and canyons, this gelding can! Ike has always been sound and is selling sound. He is friendly, goodlooking and hopefully will go to a place where he is appreciated. In the arena he has competed in SHOT competitions, horsemanship clinics and several ranch rodeos. He has also been started team roping both heeling and heading sides. The cowboys like him because he is so quiet and easy to handle. Ike is gentle enough for anyone, he has carried disabled kids in parades at he Ft Worth Stockyards as well. Don't miss this opportunity to own a bay horse you will be very proud of.

Brickhouse Bailey aka "Rolex", is one of my personal head horses. He is awesome looking and can really run. He scores great and leans hard. He would be good for a 5 or above because he is strong to the horn. He is a little snorty on the ground but is great when you rope. He is about a hand too tall for me, so out of my 3, I chose to sell him. We took a chance and put these rope horses into the sale because we felt that they would show good due to the Jackpot and the new arena set up. For more info call Rebecca Kropik 281-794-0758).

5 yr old gray gelding. We've owned him since he was in his late 3 yr old year. True all around type of gelding. This horse has been ridden and used in every way on the ranch; gathering cattle out of rough terrain, roping and doctoring yearlings in the pasture. We have drug calves and sorted in the pens and he's been used at the cow sale penning back cattle. We have been roping both ends on him in the arena. Pulls strong from the horn. Runs to cattle level. Showing great promise in the pen of making a solid honest rope horse. Super gentle with a kind disposition. Handles time off well. He adapts well with different levels of riders. Been ridden by 9-70 yr olds. Super quiet and willing outside. Ride him solo or in a group. Crosses water, logs, and bridges with ease. Open and shut gates. Utd on worming and vaccination. Sells sound. Please feel free to contact us at 406-490-3929 for more information or visit our website at www.diamondalivestock.com. Video available soon.

"Barbie" This mare has been used in the pasture to gather cattle, clean out yearlings, and will drag your rankest one to the trailer. She is patterned for the barrels but never has run competitively. This mare is very well rounded in all directions. Very willing and an easy keeper. She is broke, broke, broke, and has no bad habits. I will say this mare is pigeon toed and turns in on the right front more than the left, but she has never had a lame step or had it affect her performance. All vet records available.

He would make a great family horse and an even better heel horse for any level rider.

15.1 hand pretty sorrel mare. This mare is very nicely made with a pedigree that speaks for itself. She's broke very nicely with an excellent handle. She was shown as a 3yr old in Ranch Versatility Classes. She has also been used to sort and pen cattle, and shown in the cutting pen as a 5yr old. She's a finished head/heel horse but hasn't been roped on in a few years. She will need a tune up but was super nice on both ends while being used. She has tons of potential to go on to rodeos as either a head or heel horse or both. You could also use her on the ranch to do anything you like, or show her on a cow. Take her to compete at pennings or sortings and let her take you to the pay window. Talent, athletic and pleasurable to ride. Hauls great with no vices. Sweet nice all around ranch mare that the whole family can enjoy. Would be an asset to anyone's breeding program as well.

He is not for a beginner or a person who doesn't ride well. He is super quick and would probably be a better team penning or ranch rodeo prospect.

This young gelding after being purchased as a 2yr old was put on the back burner but is a super talented and athletic gelding with tons of potential to go in any direction. Been ridden by a 12 year old novice rider. He's also been hauled to barrel races and exhibitioning. Trotting and loping patterns showing lots of ability and quickness. He would make someone a nice heel horse as well. He has the bloodlines to be a champion, the heart to please as well as the athletic ability to go in any direction you want. Pretty golden palomino mare stands 15 hands. Very sweet laid back mare who is gentle enough for the whole family to ride. She has been on miles of trails and been ridden by women and small children. She's been used in theraputic riding programs also. This mare is great, safe, gentle and pretty riding mare. She has a good pedigree and the color. She would be a great addition to anyone's breeding program. If you are looking for a great ranch, trail riding, sorting or theraputic horse, don't pass her up! She is super gentle, beautiful and sells sound. Great for anyone.

"Bubba" is a 9 year old incentive fund appendix registered quarter horse from **Principle Investment** breeding. He is 16'2 and approximately 1200lbs. He is slow legged and has a long stride with good lift off. He is a very smooth ride. He had 5 months of professional training as a 2 year old. He has been shown in various local open shows, as well as in 4H and has done well. He has been used recently on trail rides. He crosses water, bridges, logs etc. with no problem. He is laid back, quiet and not excitable at all. Our son shows pigs and their pen is across from his stall in the barn, and that has never scared or bothered him at all. He can go with time off and come back with no problems. He has been ridden by my husband and well as our son and myself. He has been an all-around family horse for us. He loads, baths, clips, and will let you do anything to him. He is up to date on all his shots, has his teeth floated, and of course coggins. He has a scar on his right rear pastern where he had cut it as a yearling. He sells sound and it has not given him any problems. He has never worn shoes, we have kept him barefoot. When he has been ridden on rocky trails, we use boots to protect his feet. He has been kept with other horses in the pasture as well as alone. He is fine either way. He is a big horse with a big laid back personality.

IN FOAL TO BAR HEAT ((3/25/15-7/28/15). FOAL AT SIDE BY BAR HEAT (FILLY BORN 3/24/15). We purchased this mare as a yearling fully planning to ride her. We have two other foals of hers at home that we are keeping. She has a dun filly at her side by **Bar Heat** (who is also in the sale) and has been exposed to **Bar Heat** for a 2016 foal.

	Peppy's Star

Beautiful 9yr old gray mare with a pedigree full of champions. This mare was started on cattle as a 3yr old and patterned on barrels (loping) as a 4/5yr old. Then due to too many horses she was put on the back burner. Only being used to trail ride and check fences and cattle on. Occasionally hauled and competed on at pennings and sorting doing very well. She stands 15 hands, athletic and talented young mare that could go in many directions. She would easily make a super heel horse as she can really drag her rear. She could be hauled and finished on the barrels with just a little tuning up. Gentle enough for pretty much anyone to ride, with a nice handle too. She's quiet, easy going, gentle and sells sound. She would be an asset to anyones breeding program.
