

BIRCH CREEK QUARTER HORSES

Our farm is located in the Northwest corner of Upshur County, Texas, near Winnsboro, Pittsburg and Gilmer. We began our farm with cattle in 1990; all the while, having a passion for horses. In 2002, we purchased an AQHA Stallion ~ RED SONGS DRIFTER. With the gene pool package of champions and a SUPER HORSE, we began our search for the mares to compliment that gene pool to create offspring with correct conformation, good minds, cow sense and a people pleasing attitude. In addition to all of these mandatory traits, we at Birch Creek have been blessed with both color and good looks. As a result, we offer offspring from these well known bloodlines: Mr Baron Red, Zippo Pine Bar, Two Eyed Jack, Frenchmans Guy, Dash For Cash, Sugar Bars, Colonel Freckles, Sonitas's Last, Speedy Glow, Doc's Prescription, Chick Jay, Fritz Command, and more. Believing we needed more than one foal crop for evaluation, we now have on hand foals from 12 crops. The meticulous selection of individuals has proven successful, in that, with what we have available, our customers can go in any direction they desire ~ from the cutting, roping, penning and reining pens to the trail.

THIS SALE WILL FEATURE A DISPERSAL OF BIRCH CREEK QUARTER HORSES

Mr. & Mrs. Dale (Linda) Sims from Leesburg, Tx have been long time breeders of outstanding quarter horses. They feel the need at this time to change directions and sell this great group of horses. This dispersal will include 34 head, mostly of well bred broodmares with lots of color. There will also be 2 stallions in this group. One Stallion (French N Cash) is a 2009 Perlino by A Classic Guy by Frenchmans Guy out of a performance bred mare going back to Colonel Freckles. This will be a rare opportunity to get a stallion with his breeding and is a 100% color producer as well. There will also be a 2 year old buckskin stallion by a son of Frenchmans Guy.
