TERMS & CONDITIONS

1. Premier Equine Auctions, is known and recognized as Auction Company and an independent contractor regularly engaged in the business of conducting consignment sales of horses. The Auction Company or any representative thereof, is not responsible for any liability whatsoever, including, but not limited to the loss, damage, injury, death or illness of any animal, person, or property before, during or after the sale. All horses consigned to the sale are offered in accordance with the laws of the State of Texas. All transactions between buyer, consignor and Auction Company are governed by the laws of the State of Texas. Each horse offered in sale is sold "As Is and With All Defects". Consignors are hereby bound by the consignment contract completed upon nomination of sale entry, as well as these Sale Conditions. In the event of any legal dispute between the buyer and the consignor, auction company will not act as agents for, or represent the buyer or the consignor. Auction Company merely provides a medium for bringing together the consignor and the buyer for the purpose of a sales transaction. Auction Company assumes
no liability for either the buyer nor the consignor.

2. The highest bidder is to be the buyer. Any successful bidder shall sign a Buyers Agreement, which shall be presented by an auction clerk immediately after the purchase has been made. Auction Company and/or auctioneer reserve the right to reject any and all bids. If a dispute should arise between or among two or more bidders, the auctioneer shall settle the dispute, and his decision shall be absolute, final, and binding on all parties. The auctioneer will decline any bid made by parties who have defaulted in former purchases.
The right to repurchase or pass-out (P.O.), is reserved by the consignor or his representative. Any such action, must be made prior to the consignor's horse departing the auction arena. The Auction company is not responsible for the integrity of any specified bid and the seller understands and assumes all responsibilities for any bid that is made and not thereafter honored. In the event any bid is not honored,
the seller agrees not to hold the auction company responsible and agrees not to sue the sales management thereof.

3. "Title" - passes to the buyer automatically at the final fall of the auctioneers gavel unless a repurchase or pass-out (P.O.) is clearly indicated immediately by the consignor, his representative, or the auctioneer. Title and all risks are assumed by the buyer whether or not "delivery" has been made. Horses are at the buyer's expense and risk and responsibility from the time of purchase, but no delivery will be made until final settlement has been made. Delivery of a horse shall be contingent upon the buyer making a full settlement to the sale cashier. After a satisfactory settlement is made, delivery will be in the form of a "release" for the horse from the auction grounds. In addition to the release, the buyer will receive the current coggins test, and a copy of the registration certificate. After delivery is made, buyer shall remove the horse within the specified time announced prior to the commencement of the auction, and shall be subject to any charges associated with the purchase should he fail to do so.

4. Terms of the sale are CASH and payment in full must be paid directly to the sale cashier during or immediately after the sale. Payment to any other source is prohibited and is not recognized as settlement. Payment shall be in the form of cash, cashier's checks, personal checks, traveler's checks or approved credit cards. Method of payment shall also be made in the following credit cards: Master Card, Discover, Visa, & American Express. A valid drivers license or another form of positive identification are required for personal checks. A 3% office processing fee will be added to all purchases, (this fee will
be discounted for purchases paid for by cash, cashier's check, or personal check.) NO BANK DRAFTS.
Any person signing a check in the State of Texas is liable for the full amount of the check. Any party issuing a check returned as "insufficient funds", "payment stopped", "account closed" or a check that shall for any reason not clear drawee's bank, will be prosecuted to the full extent of the law.

5. Prospective buyers are hereby cautioned and advised by auction company to examine horses thoroughly prior to purchasing. All horses are sold "as is". There is no warranty of any kind as to the soundness,
physical condition, health, disposition, or fitness for any particular purpose of any horse sold in this sale. Except in the case where the owner, or his representative, makes a specific guarantee. In such
cases, the guarantee is strictly by the owner, or his representative, and not by the auction company. RIGHT OF RECOURSE MUST BE DIRECTLY TO THE OWNERAND NOT THROUGH PREMIER EQUINE AUCTIONS EXCEPT IN THE RANCH GELDING SESSION. ALLGELDINGS SELLING IN THE RANCH GELDING SESSION ARE GUARANTEED SOUND FROM THE KNEES DOWN FOR THREE DAYS AFTER THE DATE OF SALE. (NO VET CHECK.) IF ANY HORSE IS FOUND UNSOUND, YOU MUST CALL THE PREMIER EQUINE AUCTIONS OFFICE. The auction company is not responsible for buyer or consignor misunderstanding. A recording will be made of the entire auction, which can be used to help settle disputes regarding statements made about the horses while in the auction arena. The question of "guarantees made by the consignor from the auction block" shall be settled strictly between the buyer and consignor.

6. Buyer has the right, at his expense, to have an examination performed by the Official Sale Veterinarian, on any horse consigned to this sale. Such examination must be made on sale grounds prior to the
horse going through sale arena.

7. No guarantees are made by the auction company, or any representative thereof, regarding pregnancy status, eventual foaling, or fertility of any horse offered for sale. Final pregnancy status on broodmares will be announced from the auction block by the consignor or his representative and will take precedence over printed material in the catalog or in any advertising. Broodmares represented by the consignor as being "in foal" are subject to a pregnancy examination by the Official Sale Veterinarian immediately upon exit from the auction arena and at the buyers expense. Any broodmare so examined whose pregnancy status is found to be open at the time of sale may be returned to the consignor as unsold. Any such examination must be done by the Official Sale Veterinarian and prior to removal from the auction grounds. If mare is not examined before leaving sale grounds, and later found to be open, No Right Of Recourse may occur. Any contractual agreements between owners of broodmares in the sale and owners of stallions to which these mares may have been bred are strictly between the buyer and the consignor.

8.The auction company, or any representative thereof makes NO guarantees on the paperwork of any horse selling on breeders certificates, and/or registration applications.

9. Buyers are cautioned to pay close attention to announcements made from the auction block regarding changes in the sale catalog; as such announcements take precedence overprinted material. The sale Management, or any representative thereof, does not assume any responsibility or liability for errors or omissions, or for any verbal or written statement regarding the animal sold. We make every attempt to avoid errors and to insure correctness in the catalog, if a mistake does occur, we reserve the right to correct it
.
10. All original registration certificates, transfer reports, and/or applicable breeders certificates, and/or registration applications, will be held by Auction Company until the buyers payment clears the bank. Upon payment clearance, all applicable paperwork will be forwarded directly to the buyer. The buyer will be responsible for only one transfer fee as well as any registration fees associated with a purchase selling
on application. Originals will be released to buyer if all balances due are paid in a form cash the day of the sale. Pending registration papers being processed by the appropriate registration agency at the time
of sale will be returned from the agency to the consignor who shall in turn deliver to the auction company. The auction company will then forward the pending registration certificate to the buyer. Original registration certificate and accompanying paperwork will be released to consignors for horses not sold (passouts), after all expenses are paid. Originals will be released to the consignor if all outstanding balances
due to auction company are paid in cash the day of the sale.

11. All horses in this sale have been required to have been tested negative for equine infections anemia (coggins test). Out of state or other health certificates may be obtained from the official Sale Veterinarian and are at the buyer's expense, in accordance with the regulations of the State of Texas Animal Health Control.

12. Each horse consigned to this sale must pass through the auction arena and all transactions must go through the sale office. Hip numbers in the sale have been determined by the auction company. They can not be removed by the consignor or the buyer while the horse is on the grounds. Stalls are assigned for each horse sold and can only be changed by Auction Company. All persons attending this sale do so at their own risk, and are urged to use caution around the horses, while on the sale grounds.
