# TERMS & CONDITIONS

1. Premier Equine Auctions, is known and recognized as Auction Company and an independent contractor regularly engaged in the business of conducting consignment sales of horses. The Auction Company or any representative thereof, is not responsible for any liability whatsoever, including, but not limited to, the loss, damage, injury, death or illness of any animal, person, or property before, during or after the sale. All horses consigned to the sale are offered in accordance with the laws of the State of Texas. All transactions between buyer, consignor and auction company are governed by the laws of the State of Texas. Each horse offered in sale is sold "As Is and With All Defects". Any blemish, scar, swelling, cut or other irregularity of any kind such as cribbing must be announced when horse is in the sale ring. Violation of this clause or failure to announce may give the prospective buyer the right to return any horse to the consignor and the consignor must still pay the commission fee. If your horse is turned down for any of the above reasons the horse still belongs to you. Consignors are hereby bound by the consignment contract completed upon nomination of sale entry, as well as these Sale Conditions. In the event of any legal dispute between the buyer and the consignor, auction company will not act as agents for, or represent the buyer or the consignor. Auction Company merely provides a medium for bringing together the consignor and the buyer for the purpose of a sales transaction. Auction Company assumes no liability for either the buyer nor the consignor.

2. The highest bidder is to be the buyer. Any successful bidder shall sign a Buyers Agreement, which shall be presented by an auction clerk immediately after the purchase has been made. Auction Company and/or auctioneer reserve the right to reject any and all bids. If a dispute should arise between or among two or more bidders, the auctioneer shall settle the dispute, and his decision shall be absolute, final, and binding on all parties. The auctioneer will decline any bid made by parties who have defaulted in former purchases. The right to re-purchase or pass-out (P.O.), is reserved by the consignor or his representative. Any such action, must be made prior to the consignor's horse departing the auction arena. The Auction company is not responsible for the integrity of any specified bid and the seller understands and assumes all responsibilities for any bid that is made and not thereafter honored. In the event any bid is not honored, the seller agrees not to hold the auction company responsible and agrees not to sue the sales management thereof.

3. "Title" - passes to the buyer automatically at the final fall of the auctioneers gavel unless a repurchase or pass-out (P.O.) is clearly indicated immediately by the consignor, his representative, or the auctioneer. Title and all risks are assumed by the buyer whether or not "delivery" has been made. Horses are at the buyer's expense and risk and responsibility from the time of purchase, but no delivery will be made until final settlement has been made. Delivery of a horse shall be contingent upon the buyer making a full settlement to the sale cashier. After a satisfactory settlement is made, delivery will be in the form of a "release" for the horse from the auction grounds. In addition to the release, the buyer will receive the current coggins test, and a copy of the registration certificate. After delivery is made, buyer shall remove the horse within the specified time announced prior to the commencement of the auction, and shall be subject to any charges associated with the purchase should he fail to do so.

4. Terms of the sale are CASH and payment in full must be paid directly to the sale cashier during or immediately after the sale. 5. Prospective buyers are hereby cautioned and advised by auction company to examine horses thoroughly prior to purchasing. All horses are sold "as is". There is no warranty of any kind as to the soundness, physical condition, health, disposition, or fitness for any particular purpose of any horse sold in this sale. Except in the case where the owner, or his representative, makes a specific guarantee. In such cases, the guarantee is strictly by the owner, or his representative, and not by the auction company. The auction company is not responsible for buyer or consignor misunderstanding. A recording will be made of the entire auction, which can be used to help settle disputes regarding statements made about the horses while in the auction arena. The question of "guarantees made by the consignor from the auction block" shall be settled strictly between the buyer and consignor.

6. Buyer has the right, at his expense, to have an examination performed by the Official Sale Veterinarian, on any horse consigned to this sale. Such examination must be made on sale grounds prior to the horse going through sale arena.

7. Buyers are cautioned to pay close attention to announcements made from the auction block regarding changes in the sale catalog, as such announcements take precedence overprinted material.
