Notes: If you're looking for that special once-in-a-lifetime horse, take a close look at Tweety. He is GENTLE, kind, very user friendly, and a winner in many disciplines. Tweety has the ability to win at a very high level but has the mindset to come down and work for a beginner as well. He has been shown in the cutting and could easily go back to that. He could also excel in the sorting and penning, or a fancy enjoyable ranch horse. Tweety is a proven money winner at most every level of heading, heeling, and breakaway. He is super easy to handle, ride, and get along with in every way. Tweety scores outstanding in all events, and adapts to his riders with ease. He breaks flat, runs hard, but has plenty of rate. He waits for you in the handle but has a nice move and faces really well. Heeling, he is very easy to ride into whatever position you choose. He waits for you to throw, isn't cheaty, but is always timed up so he can have a big deep stop. He takes a hit solid and is quiet while you unclip your tie-on rope. Tweety makes the shot easy in the breakaway and stays honest so if you need an extra swing, he will be waiting. He works well outside, stays broke no matter if he's not ridden often and has a sweet personality. Tweety rides equally as well with a rope around his neck as with a bridle. I can't say enough good about Tweety and his pedigree speaks for itself. He's a horse that most anyone can enjoy in any discipline or any level they choose. For more information, call 775-761-2626.

Notes: The phrase "tall, dark and handsome" fits Elvis to the letter. This gelding has more class than a tuxedo. He's puppy dog gentle. The whole family will enjoy riding this quiet well-broke gelding. Elvis is lots of fun to head and heel on. He's incredibly quiet in the box, really runs to a steer, has plenty of rate and a big stop. He's sound and sane. This stunning gelding is a rare find. There's nothing he can't do. Elvis has been used as a ranch horse extensively and knows how to take care of his rider in rough terrain on a long day. He's the perfect size at 15 hands and 1100 lbs. Contact Estevan at 505-450-5519 with questions or to come ride him before the sale. Currently located in Belen, NM.

Notes: Wolf is hands down one of the nicest head horses we have owned. He was born and raised right here on our ranch. He stands a perfect hight at 15 hands, has a big hip and lots of foot and bone. He is a finished head horse that has been hauled to many jackpots and rodeos. He scores awesome, runs hard and faces fantastic. He is a proven money winner and has been ridden by many levels of ropers doom a number 4 to a number 9! He has a natural rate and gives you the perfect throw every time. He was named appropriately because when it comes to being noticed, he is a Wolf- he stands out in a crowd and always gets noticed, especially in the line up at the pay window. Above all of his attributes in the arena, he is true pleasure to ride outside as well. He isn't herd bound, walks level (no jiggling) and has been ridden on the ranch to do all aspects of ranching. He is a true blue roan gentleman that would make any roper proud to own. Don't miss out on this outstanding ranch-raised gelding in the prime of his life. Notes: Big, beautiful gelding with a copper finish. Extremely gentle, well broke, and athletic. Jag is a finished head horse who has seen the sights, winning money at World Series and local jackpots. He is quiet and solid in the box, and runs to your spot. Jag is the smoothest horse, he glides across the line, and keeps you in position to throw. He makes a beautiful and correct move in the corner and has a snappy face. Breakaway or heel, Jag has a BIG sliding stop. An own son of Smart Sugar Badger, \$2 Million producer, Jag has won money in the NCHA. He will cut a cow with your hand down, spin a hole in the ground and take his leads. Always honest and gentle with time off and great for all ages, you can do anything on Jag. Pretty to watch, easy to ride, and smooth like your favorite rocking chair. Trails are his thing too. He is smooth to ride and crosses all obstacles and water and is great to haul. Colee is a head, heel and breakaway horse and he is one cool dude! Notes: Madison is as pretty of a sorrel as I've ever been around and is absolutely gentle to go with it. He is great to ride outside. You can doctor cattle, sort, trail ride, or anything you please. Madison stays gentle and kind even if he's not ridden daily. He rides around quiet with a good stop and nice turnaround. Madison is solid and proven in both the heading and heeling and will work for a wide variety of riders. He is very quiet in the box, breaks flat, has plenty of run but will idle off well for a lower numbered rider. He has a good move in the handle, faces well, and is easy to get along with. Heeling, he times up and is very easy to catch on, has a nice stop, and is solid to the horn both tied on and dallying. Madison isn't spooky and handles new situations like a much older horse. He's easy to love and does his best to please. For more information, call 775-761-2626.

Notes: Iceman is a 15.3 hand bay gelding. I have hauled this gelding all spring and summer to the ropings. Iceman is one you can get on when you need to win a check. He also handles cattle like a dream and he scores like a rock. He has all kinds of run and he is safe for any level roper to get on- from the kids that are just learning to the older adult that wants one that is going to be safe every time. I cannot stress enough how much of a gentleman this horse is. He has also been hauled and runs a competitive pattern in the barrels. He has been to NBHA and has consistently hung in there with the pack. He has been ridden on trails, ranched on and I've even let my 7-year-old daughter use him on play days. This type of horse is extremely hard to find and will fit anyone in the household. We have all kinds of videos. Please check them out on Jared Meyer's Facebook page or give me a call at 563-543-6355. He has been hauled to 8 ropings including the BFI #12 and the rope horse futurity in Ardmore earlier this summer where he was marked in the mid 70's by both judges on 3 consecutive runs. He scores great with lots of speed and finishes the run strong. He has a great mind and gentle disposition as well. He has been ridden by children in the pasture and kids have roped live cattle on him as well. For more information, call 580-449-1087.

He scores, runs, rates and finishes strong. We have used him outside to gather, sort and brand. We have also doctored wheat pasture cattle on Casper. He is 100% gentle and sound. Notes: Quickness, speed, and cow sense describes the athletic ability of this Haidas Little Pep grandson. Ladder Haida Olena is bred to put in a full day's work and he enjoys it! He was used as a ranch horse up until he was 10 years old. Since then his time has been dedicated to heeling. He is not an "in your pocket" type but is a calm gentle horse that is well mannered on the ground. He has a lot of buttons and rides off your body and feet. Recommended for an experienced rider, Ladder Haida Olena is a lot of horse with the power needed to excel in the roping pen. This gelding does better with consistent riding moving slow with a low head, but when asked, has the speed to get you to that cow. He likes to stop and slide and will bridle up when asked. This gelding is in the prime of his life and ready to make someone a nice heel horse! For more information, call 512-755-2392.

It doesn't matter if it's at the WS Finale in Las Vegas or a local jackpot. He always works the same and gives 110% every trip - from first thing in the morning until after midnight. This horse has an enviable resume of wins at all levels - PRCA Rodeos, Jackpots, WS Finale, USTRC Finals - there's nothing he hasn't seen. Not just an exceptional heel horse, Ringo has been enjoyed by my whole family for 10 years. He's "kid and grandma gentle" to ride around. He's a fantastic babysitter. Ringo has been headed on extensively. He takes great care of a #3 header. He makes turning steers easy for anyone. He's as beautiful as he is talented, with his flowing white mane and tail. Ringo is plenty of horse for a professional and gentle enough for a weekend warrior to enjoy. He's as tough as they come. Someone will enjoy him for the next several years. Ringo has never been sore or injured. Contact Estevan at 505-450-5519 with questions or to come ride him before the sale. Currently located in Belen, NM.

Notes: Teak came about his handle because he is of the finest quality! He's a handsome buckskin gelding who is the perfect size at 15 hands. He has ground manners just as quiet as a church mouse. Tie him up by the bridle reins and there he will stand patiently all day. He's good to bath, clip, shoe, haul, and catch easily. He is such a nice horse that has all the bells and whistles with a reining type foundation. He is a big stopping gelding that picks up his feet and is always working correctly. He's a fancy switch-end rope horse who has also roped calves. Watch him at the ropings and demos. He scores easily and off your hand, leaves flat, can gather cattle up quickly and keep them out in front of heeler. On the heeling side you can ride him high or fall back and he will always make the corner in good frame. He lets you track across pen and stops straight. He has been shown in working ranch horse competitions. He will plus most maneuvers. He's a solid helper on the ranch, savvy around cattle and watches one in front of him. He's strong from the horn and feels safe when your doctoring and branding. Teak is very sure footed when riding on the trails in the mountains or the flats, picks his way through rocks, is smooth traveling and is not a spooky horse. You will drive the wheels off your pickup to find another Teak! He's sound and UTD on worming, dental and farrier. Enjoy! For more info visit www.TurnerPerformanceHorses.com or call 406-381-2347.

Notes: Six Gun has an outstanding pedigree and athletic ability for a horse his size. He can really run, but is very easy to handle and stays respectful of the bridle at all times. Six Gun has a full years training in the reining and will perform all the maneuvers with ease. He has a big stop, spins low headed on a loose rein, and lopes smooth circles. He will run a reining pattern, work cattle, and rope with just a rein around his neck. Six Gun is finished and a winner in both the heading and the heeling. He scores great, breaks flat and can really get to cattle. He rates well, has a fancy move and faces outstanding. Heeling, he rides like a little horse with quick feet, an easy stride, and a big stop. He's big enough to be solid on the rope no matter if you tie on or dally. Six Gun has been used outside, crosses water, and travels nice. He will hold cattle to doctor, sort, pen and anything else you need in a day's work. Six Gun saddles up gentle and kind every day and is a fun horse no matter the task you're doing for the day. He isn't spooky, and will ride around and work for a wide variety of riders.
